

Accelerated-Degree.com Launches Quick Degree Program Directory

Do you need to earn a college degree fast? Accelerated-Degree.com now offers a solution: Accelerated Degrees for students who need to earn an accredited degree at faster pace.

January 30, 2010 (FPRC) -- Houston, Texas – Accelerated-Degree.com now offers students an easy way to find colleges and universities providing accelerated degree programs, helping students find ways to shave a year or two off of a Bachelor's Degree program.

With the growing number of students searching for ways to earn their college degree at an accelerated pace, it's no wonder that a website like Accelerated-Degree.com stepped in to provide students with a quick and easy way to compare universities offering accelerated degree programs.

Accelerated-Degree.com introduces visitors to the various ways one can earn an accredited college degree at a faster pace such as online degree completion programs, competency-based degree programs, credit for life experience programs, credit by examination, online degrees, and more.

C.J. Harrison, a recent graduate notes, "Accelerated-Degree.com provided me with the information I needed to make an informed decision about my college education. I wasn't sure which university was right for me, but I knew I needed to earn my degree fast to get my career on the the right track. Accelerated-Degree.com helped me compare universities to find the one that best matched my interests, budget, and timeline."

Accelerated-Degree.com offers comprehensive reviews of a variety of higher learning institutions and includes timely and relevant information such as accelerated format, semester length, tuition, program availability, student-to-faculty ratio, and delivery methods.

The website clearly addresses the issues that matter most to adult learners and students seeking fast track degrees: accelerated format, competency-based exams, shorter class terms, degree completion courses, and more.

With the easy-to-use accelerated program search tool, student reviews, college highlights, and university comparisons, students will find the site easy to navigate with plenty of research tools on-hand to make college selection easier.

Students and parents understand how difficult a task it can be to find the right college or university. With so many universities vying for a student's attention, it can be hard to know where to begin. Accelerated-Degree.com makes the task easier by providing visitors with the tools they need to make an informed decision about their future.

About Accelerated-Degree.com

Accelerated-Degree.com is an education directory that specializes in researching accelerated degree programs from top accredited schools. The directory helps students and professionals who are searching for online degrees and distance learning programs at colleges and universities

offering certificate programs, associate degrees, bachelor degrees, master degrees, and PhD degrees.
