November 9, 2007 (FPRC) -- Hookers N Slicers, LLC. announces a new addition to their portfolio of VIP services which now provides the golfer the opportunity to golf as it was intended to be. Hookers N Slicers, LLC. and Myrtle Beach Caddy Girls have partnered up to provide Myrtle Beach golf travelers access to the only female professional caddy service nationwide. Now Hookers N Slicers, llc can offer the complete travel package including tee time booking, first rate accommodations, restaurant reservations, after-hour activities and caddy services anywhere on the Grand Strand.

“We are very excited to have partnered up with Myrtle Beach Caddy Girls, they provide the fun and the professional service that golfers have come to expect from Hookers N Slicers” states Stephen M. Hollingsworth, Managing Partner, Hookers N Slicers, llc.

About Hookers N Slicers, llc

As a golfer, have you ever experienced the excitement of waiting for that long awaited golf trip with friends only to be disappointed by the course conditions, bad meals and poor accommodations. Well, the Hookers N Slicers team has made it our business to try and create that perfect golfing experience. Unlike the majority of the golf planners who just offer run-of-the-mill accommodations and a few hundred everyday golf courses, we will take our clients to the next level, only offering the best for our clients and only recommending the courses, restaurants, and after hour activities that live up to the standards that we feel that our clients expect and deserve.

About Myrtle Beach Caddy Girls

Myrtle Beach Caddy Girls are a group of professional female caddies serving throughout the Myrtle Beach area. As a member of the chamber of commerce, their services have been widely accepted and is gaining popularity every day. MBCG was actually started by two female caddies back in 2006. It is a close knit business with only the most reliable and beautiful girls working on the greens.
