May 8, 2009 (FPRC) -- KEY WEST, FL - Best On Key West, a premier Key West tour operator, recently announced it has reduced the price on its popular jet ski island tour. For a limited time, guests can now take advantage of additional savings of up to \$40 per jet ski rental, which starts at \$130 for a double and \$110 for a single style watercraft.

The fast-paced and exciting jet ski island tour takes guests along 27 miles of beautiful Key West shoreline. As part of the two-hour tour package, guests enjoy riding on a state-of-the-art jet ski, following an experienced tour guide as they visit the hottest spots in the ocean, including tropical islets and past a United States Navy base. "Along with KeyWest scuba diving, the jet ski island tour is one of our most popular tour packages. It is simply a thrilling, once in a lifetime experience to speed above the crystal blue waters of Key West on a jet ski. And with our newly reduced pricing, the jet ski island tour is more affordable than ever," says Chris Gardner of Best On Key West.

The jet ski island tour features seven different stops around the entire perimeter of the island of Key West. The brief stops give guests the perfect amount of time to enjoy each unique location, without slowing them down. Guests even have the option of stopping at one of the numerous sandbars to enjoy a warm and refreshing swim in the sparkling blue water. As an added benefit, guests on the jet ski island tour often catch glimpses of the island's world-renowned wildlife such as sea turtles, rays, dolphins and more.

Along with the jet ski island tour, Best On Key West offers an expansive variety of fun and exciting Key West tours and excursions. From Key West diving to land and sightseeing tours, Best On Key West helps visitors create memorable vacation experiences.
