

24 New Honeywell Valve Actuators from DtiCorp.com

Valve actuators mount directly onto flanged or threaded globe valves or unitary valves for control in HVAC systems.

May 8, 2010 (FPRC) -- Fort Lauderdale, FL - Popular Honeywell online retailer DtiCorp.com (<http://www.DtiCorp.com>) is introducing 24 Brand New Honeywell Valve Actuators. Valve actuators mount directly onto flanged or threaded globe valves or unitary valves for control in HVAC systems.

New Honeywell Valve Actuators available:

VC Series Two-position Actuators

Control central heating and/or cooling systems, fan coil systems, radiators and convectors. Depending on the model selected, it can be controlled by either a low or line voltage SPST or SPDT controller such as a room thermostat.

- 1) VC2110ZZ03 Two position, low volt actuator for VC Series valves
- 2) VC2114ZZ11 Two position, low volt actuator for VC Series valves
- 3) VC2114ZZ31 Two position, low volt actuator for VC Series valves
- 4) VC2710ZZ03 Two position, low volt actuator for VC Series valves
- 5) VC2714ZZ11 Two position, low volt actuator for VC Series valves
- 6) VC4011ZZ11 Two position, line volt actuator for VC Series valves
- 7) VC4013ZZ11 Two position, line volt actuator for VC Series valves
- 8) VC6011ZZ11 Two position, line volt actuator for VC Series valves
- 9) VC6931ZZ11 Floating actuator for VC Series valves
- 10) VC6934ZZ11 Floating actuator for VC Series valves
- 11) VC6934ZZ31 Floating actuator for VC Series valves
- 12) VC8110ZZ03 Two position, low volt actuator for VC Series valves
- 13) VC8111ZZ11 Two position, low volt actuator for VC Series valves
- 14) VC8114ZZ11 Two position, low volt actuator for VC Series valves
- 15) VC8114ZZ31 Two position, low volt actuator for VC Series valves
- 16) VC8711ZZ11 Two position, low volt actuator for VC Series valves, w/ end switch

17)VC8714ZZ11 Two position, low volt actuator for VC Series valves, w/ end switch

VC Series Proportional Actuators

Control central heating and/or cooling systems, fan coil systems, radiators and convectors. Depending on the model selected, it can be controlled by a low voltage SPST or SPDT switch, pulse-width modulated 24 Vac signal, or floating input, modulating controller such as a room thermostat, Aquastat control, flow switch or a 0/2 to 10 Vdc controller.

18)VC6834ZZ11 Floating actuator for VC Series valves, w/ end switch

19)VC6930ZZ03 Floating actuator for VC Series valves

20)VC7931ZZ11 Modulating actuator for VC Series valves

21)VC7934ZZ11 Modulating actuator for VC Series valves

22)VC7934ZZ31 Modulating actuator for VC Series valves

VC Series Fail Safe Proportional Actuators

Control central heating and/or cooling systems, fan coil systems, radiators and convectors. Depending on the model selected, it can be controlled by either a low or line voltage SPST or SPDT or floating or modulating controller such as a room thermostat, Aquastat control, flow switch or a 0/2 to 10 Vdc controller.

23)VC6936ZZ11-530 Floating actuator with Power Failure Reposition for VC Series valves

24)VC7936ZZ11-529 Modulating actuator with Power Failure Reposition for VC Series valves

Features:

- Use with two-way or three-way valves.
- Minimal actuator power consumption.
- Quick-connect or one meter cable electrical connections available.
- Quick and easy replacement of moving parts.
- Actuator head installation does not require draining the system.
- On/Off models with six second nominal timing
- Use two-position actuators with 1000 Series 2 way and 6000 Series 3-way VC valve bodies only.
- All VC Series actuator-valve combinations provide 60 psi close-off.

About Us: DtiCorp.Com (<http://www.DtiCorp.com>) carries more than 35,000 HVAC products, including industrial, commercial and residential parts and equipment from Honeywell, Johnson Contols, Robertshaw, Jandy, Grundfos, Armstrong and more. Our online catalog is easy to navigate and search, and all products have a picture and a description. If a customer has any questions about a product, they can call 800-757-5999 and speak with one of our product experts. Our mission

is to offer the best prices anywhere to our customers.
