

Electro Image LLC Launches New Website

Rick Spitzenberg, President, Electro Image LLC, launched a new updated website, www.electroimagellc.com, adding more sample projects to assist customers to design their own custom printing projects

September 13, 2010 (FPRC) -- Rick Spitzenberg, President, Electro Image LLC, launched a new updated website, www.electroimagellc.com, adding more sample projects to assist customers to design their own custom printing projects.

Using the new simplified navigation, Electro Image customers can now explore the company's portfolio in a snap and order custom projects. In addition, customers can purchase quality stationery, business cards, letterhead, banners, magnets, stickers, postcards, signs and banners.

As a special introduction to the new website, Electro Image is offering new customers twenty percent discount if they place an order by the end of September, 2010.

'We are really excited to be able to offer this new, updated website to our customers. www.electroimagellc.com will allow our customers to use our simple process to order their printing projects. They can see our updated on line portfolio for inspiration for their upcoming brochures, etc' said Rick Spitzenberg, President, Electro Image LLC.

Electro Image LLC produces printing at the lowest possible cost for your one-color to full-color print project. We handle business cards to large banners, and everything in-between. Rick Spitzenberg invites his customers to 'give us your concept for your business, association, event or charity. We will design and print it!'

Centrally based in Chesterfield, Missouri, Electro Image LLC is a full service one stop inexpensive print and graphics source providing printing services for custom print projects ranging from affordable ad design to quality business banner displays. In addition, the company's expertise and low cost printing includes professional brochures and flyers as well as glossy business cards design, inexpensive single sheet or multi part forms, budget presentation folders and customized stationery.

For further information, please visit the company's website at www.electroimagellc.com or contact Rick Spitzenberg, President, Electro Image LLC, at 636-777-7873.
