

DtiCorp.com Is Introducing 3 Honeywell P7810 Electronic Pressure Controls

Honeywell line voltage pressure controller that provides automatic operating control, automatic limit protection, manual reset limit protection, and 4-20ma modulating firing rate control for pressure systems up to 300 psi.

February 19, 2011 (FPRC) -- Popular Honeywell online retailer DtiCorp.com (<http://www.DtiCorp.com>) is introducing 3 Brand New Honeywell P7810 Electronic Pressure Controls. Honeywell line voltage pressure controller that provides automatic operating control, automatic limit protection, manual reset limit protection, and 4-20ma modulating firing rate control for pressure systems up to 300 psi.

Features:

- May be used with steam, air, non-combustible gases or fluids that will not corrode the pressure sensing element.
- Models available in 15, 150, 300 psi maximum set points.
- LED indicators show limit function/lockout.
- Reset function easily accessible under cover.
- Light Emitting Diode (LED) indicators show power, call for heat function and lockout status.
- Electronic maximum fixed stop limit.
- Clear cover allows set point and differentials to be read (but not adjusted) without opening the cover.

Specifications:

- PressureTrol Controller with On/Off control, modulate and safety high limit.
- Power Input: 120 Vac (+10% /-15%), 50/60 Hz ($\pm 10\%$).
- Output Impedance: 300 ohm maximum.
- Sensor Material: 304 stainless steel.
- Pressure Connector: 1/2 in. NPT.
- Case Material: Plastic.
- Electrical Terminations: Screw terminals.
- Accuracy: ± 4.0 percent full scale output operating range, over operating temperature.
- Operating Temperature Range: 32°F to 140°F (0°C to 60°C).
- Storage Temperature Range: -20°F to +150°F (-29°C to +66°C).
- Humidity: 5% to 95% relative humidity, noncondensing.

Models available:

1. P7810C1000 Solid State Pressuretrol Controllers, On-off, Modulate and Limit Control, 0 psi to 15

psi

2. P7810C1018 Solid State Pressuretrol Controllers, On-off, Modulate and Limit Control, 0 psi to 150 psi

3. P7810C1026 Solid State Pressuretrol Controllers, On-off, Modulate and Limit Control, 0 psi to 300 psi

About Us: DtiCorp.Com (<http://www.DtiCorp.com>) carries more than 35,000 HVAC products, including industrial, commercial and residential parts and equipment from Honeywell, Johnson Contols, Robertshaw, Jandy, Grundfos, Armstrong and more. Our online catalog is easy to navigate and search, and all products have a picture and a description. If a customer has any questions about a product, they can call 800-757-5999 and speak with one of our product experts. Our mission is to offer the best prices anywhere to our customers.
