

Naperville Cabinet Refinishing Company, Save Wood Launches The Whiskey Glaze Series

Naperville cabinet refinishing experts, Save Wood Kitchen Cabinet Refinishers has announced the launch of its Whisky Glaze Series available to customers seeking cabinet refinishing and refacing in the Naperville and greater Chicago region.

September 27, 2011 (FPRC) -- PLAINFIELD, IL - Save Wood Kitchen Cabinet Refinishers, the greater Chicago and Naperville cabinet refinishing experts, have launched a brand new look for kitchen cabinets - the Whiskey Glaze series.

The Whiskey Glaze series is a new trend cabinet refinishing style offered to the company's greater Chicago and Naperville cabinet refacing customers. Customers can choose from three refinishing styles - the Whisky Cherry, the Whisky Caramel and the Whisky Vanilla.

"We are proud to announce that we now offer one of the hottest trends in cabinet refinishing with The Whiskey Glaze Series. The rich brown tones are soothing and tranquil and are finishes that will make your home a cozy place to be," said the owner of Save Wood Kitchen Cabinet Refinishers.

The red and brown tones of the Whisky Cherry are complimented with a whisky glaze generating extra warmth. The Whisky Caramel finish combines caramel with a whisky glaze for a soft, comfortable homely look; while the Whisky Vanilla brightens any kitchen with its combination of vanilla and whiskey.

Cabinet refinishing is the smart house-holders way to create a brand new kitchen without the costs of expensive new products. Based in Plainfield, IL, Save Wood Kitchen Cabinet Refinishers has been servicing a variety of clients for cabinet resurfacing in Naperville. The 25 year old company provides quality workmanship, creating finished cabinets that look as good as new.

Save Wood Kitchen Cabinet Refinishers places great value on customer service and works hard to ensure minimum interruption to the use of the kitchen. The majority of the work is done at the Save Wood facility. With just 2-3 days of in-house work, depending on the size of the job, the professional cabinet refinishers will remove doors and refinish them at their shop. They will then, come to the home and refinish the frames of the cabinets in addition to installing all the finished doors. All damaged cabinets are fixed and several coats of protective clear coat are applied, leaving the cabinets looking brand new.

With the economy the way it is today, people are spending a lot more time at home. All the more reason to create a comfortable, warm environment for you and your family. A large percentage of this time is spent in the kitchen. Updating your cabinets by refinishing or refacing them is a low cost way to greatly enhance your mood and the feel of your home. Save Woods mission is to serve you with quality workmanship, great service and in the end, beautiful kitchen cabinets at an affordable price.

In addition to the Whisky Glaze series, the company offers a variety of refinishing options to choose from allowing customers to personalize their kitchens according to their personal preferences and needs.
