

PlusOneFoundry.com Launched New Service of Google Plus Circles Followers for Strong Social Signals

PlusOneFoundry.com offers a range of Google Plus One services has launched its new service for providing Google Plus Circle followers and fans to businesses.

March 2, 2012 (FPRC) -- Google Plus is impossible to ignore, especially when businesses have to depend on it to improve their visibility in Google search engine as Google has prioritized Google Plus for its SERP results. Businesses stand to incur losses without a strong presence on Google Plus network.

In order to provide the benefits of this Social network to businesses and Webmasters alike PlusOneFoundry.com launched its services for Google Plus Ones in December. With its success it has now launched its new service to provide Google Plus Followers.

When you buy google plus followers, it sends a strong social signal to Google about your Web presence and helps in your business branding and visibility. On the other hand the Plus Ones delivered to your site help skyrocket the organic SERP since Google consider these social recommendations in its SERP rankings. People who buy google plus ones can check the veracity of this claim through their Google Webmaster Tools.

At PlusOneFoundry one can buy google plus fans at the most competitive price starting from \$15 for 50 USA Google Plus fans. The website serves medium to large Google Plus Circles needs with variety of packs of \$49 for 250 G+ Plus followers, \$173 for 1000 US Plus Circles fans and offers packages upto 10,000 USA Google Plus circle followers.

Commenting on this new launch, Mr Puneet K. Saini, Founder at PlusOneFoundry.com, stated;

'Google has already shown its intentions that it will emphasize more on Google Plus than any other Social networks like Facebook and Twitter to measure social impact. So it becomes inevitable for businesses to take this into account and build strong social signals and recommendation based on it.

PlusOneFoundry delivers USA Google Plus followers with Phone Verified Google Accounts from IP's all over the USA. We offers a guarantee also. On the purchase of any Plus One package, there will be a one year guarantee to replenish the Google Plus Ones if they fall below count. No additional payment will be asked. Further, plus ones are delivered over a couple of days to look natural and organic to Google.'

Businesses and Webmasters interested to improve their websites rankings may visit <http://www.plusonefoundry.com/> for more information about this service.
