

Wholesale Wedding Favors Designer Artisano Designs Launches US Distribution in New York, USA

Premier designer and wholesale wedding favor distributor Artisano Designs has launched in New York, USA. Retailers and brides alike now enjoy faster, cost effective delivery of Artisano Designs' unique collection of wedding favors and party favor keepsakes. With the spring wedding season in full swing, wholesale favor distribution in the Northeast US will better serve market demand.

May 1, 2012 (FPRC) -- Wholesale wedding favors designer and distributor, Artisano Designs, has added New York State as a new wholesale distribution point serving the US market. The benefits to wedding industry wholesale account holders include faster shipping options across the US, faster processing times, and lower shipping costs.

Officially launched in March to existing wedding retailer partners, the addition of wedding favor distribution from New York has proved a boon to retailers. The launch itself was successful operationally and the benefits, sales-wise and service-wise, have proven to be immediate.

Artisano Designs unique wedding favors are available exclusively wholesale to leading wedding industry retailers, ecommerce merchants, and wedding services professionals. With ready drop shipping direct to consumer, Artisano Designs allows wedding favor retailers to fulfill orders quickly and efficiently throughout North America and internationally.

Perfectly aligned with the upcoming wedding season, additional distribution in New York allows retailers to get Artisano Designs' unique wedding favor items to brides in record time. In the Northeast, orders are often delivered in a mere 1-2 days and standard courier options get favors to customers in less than five business days across the US. Leveraging mass distribution, retailers enjoy discounted shipping rates, too.

Artisano Designs primary focus on quality, unique wedding favors is followed closely by the need to deliver cost-effective, value priced wholesale favors to its customer network. This move further drives Artisano Designs' unprecedented growth and provides a scalable operational infrastructure to accommodate its fast growing wedding and party favor item mix.

Artisano Designs new wholesale wedding favors can be found online at ArtisanoDesigns.com where retailers can apply for a wholesale account. The website also includes links to preferred retailers like InCasaGifts.com, [Sears](http://Sears.com), LittleThingsFavors.com, and DoYouNeedaFavor.com plus more.
