Massage Therapy Treatment Services:

At Wellness Massage Therapy Centre, we use a variety of Advanced Massage Therapy Techniques depending on your preferences and your body's needs.

At Wellness Massage Therapy Center, we believe that the power of therapeutic massage increases vitality, health, and wholeness. We are inspired to share and provide professional therapeutic massage and foot reflexology that promotes a sense of well-being which revitalizes soft tissues, blood flow, bones, muscles, ligaments, and fascia. We affirm that massage releases, relaxes, and realigns our bodies and our minds by supporting inherent body wisdom. Through therapeutic massage, our listening hands, and deep presence we enhance a safe environment for growth as well as renewal of body, mind, and energy.

Our massage and foot reflexology therapists facilitate deep, long-lasting results in a wide range of modalities, peeling away layers of stress, restoring mobility to injured muscle tissue, easing stiffened joints and hot spots of pain.

Massage and foot reflexology clients also enjoy private individual rooms that will make you relax during your session.

Our Professional Therapists are trained and certified in massage and foot reflexology. Each Therapist has considerable experience in the field.

At Wellness Massage Therapy Centre much of the work we do is clinically based massage therapy in addition to handling a large number of stress related massage treatments. You may choose the treatment length that best suits you...from stress relief to pain relief come and experience the Wellness difference

In addition to Therapeutic Massage and Foot reflexology, we also offer additional Aromatherapy and Hot Stone Wellness Massage Therapy.

At Wellness Massage Therapy Centre you can receive professional treatment from their skilled and experienced team while enjoying it in a calming and relaxing atmosphere. Massage Therapists specialize in treating and providing relief for a wide range of conditions related to soft tissue and pain management.
