

Sound Machine Retailer Announces the Availability of Amazing New White Noise Sleep Aid

Sound Machines Direct introduces a new, top of the line sound machine that will help individuals get a peaceful nights sleep

September 17, 2012 (FPRC) -- Waseca, Minnesota, United States- Sound Machines Direct, a major online retailer of white noise Marpac sound machines and sleep aids is now offering the Sound Oasis S-5000 Deluxe Sound Therapy System. This new system is an amazing addition to the Sound machines Direct sound machine product line and is sure to be a top seller. The positive results that this machine delivers are amazing for individuals who have restless nights.

The Sound Oasis S-5000 Deluxe Sound Therapy System is the most advanced sound machine on the market today. This white noise machine offers superior quality and delivers great results for those having trouble falling asleep. The system includes high fidelity sound and also features a clock radio. During sleeping hours the Sound Oasis deluxe bathes the room with authentic sounds of nature. Using the system allows anyone to fall asleep easier, receive a higher quality of sleep, experience relief from conditions such as tinnitus and feel more alert during the waking hours.

The Sound Oasis Deluxe System features 145 sound possibilities and 3 speakers including a subwoofer. There is an AM/FM radio with 3 presets and a backlit, dual 12/24 hour clock with three alarm sounds. Some of the unique features of the system include the ability to record voice memos to use as a sleep aid. There is a headphone jack for those who use headphones or a speaker pillow during sleep. The system is also compatible with iPhone, iPad, MP3 systems and CD's. The sound machine also has built in technology to control a bedside lamp for light therapy.

This system is proving to be one of the most effective on the market. Utilizing the latest technology advances, the Sound Oasis S-5000 will help any individual get the best night sleep. The large selection of machines and sleep aids assists many individuals who struggle with getting a full nights rest, making Sound Machines Direct the one-stop-shop to find the best sleep aids.
