

## Online Jeweler Offers Stunningly Beautiful Floating Diamond Rings for Her

*Titanium-Jewelry.com has created unique styled ring featuring a 'floating' diamond.*

September 20, 2012 (FPRC) -- Modesto, California, United States. Titanium-Jewelry.com, a premier online retailer of men's tungsten wedding bands has created a unique styled ladies ring featuring a floating diamond. The large selection of floating diamond rings by prominent designers, such as Edward Mirell, sold at Titanium-Jewelry assures customers to find exactly what they are looking for. The rings are made of either black titanium or the natural gray colored titanium.

The Memoire black titanium engagement ring created by Edward Mirell is a unique one of a kind creation. The ladies engagement ring is black titanium in a cathedral style, designed to hold a 6mm round diamond in the center. The ring also has two smaller round diamonds bezel set on either side of the center stone. The center stone is tension set, which is held in by tension from the opposite sides thus creating a 'floating' diamond appearance. The assortment of floating diamond rings ranges from simple chic to detailed designs. The one of a kind creation of a floating diamond offered by Titanium-Jewelry is an exclusive look presenting style, creativity and fashion.

Titanium-Jewelry has a great mixture of floating diamond rings to choose from. The stunning designer jewelry is an ideal gift for any woman. All jewelry designed and sold at Titanium Jewelry.com such as Titanium rings and Tungsten rings carry a lifetime guarantee and a 60 day no questions asked return privilege

In business for more than 20 years, Titanium-Jewelry.com has a reputation for carrying beautiful, award winning pieces that are perfect for men and women looking for both contemporary and classic design. Titanium-Jewelry.com carries jewelry made with the trend in latest precious metals and many traditional pieces as well. This company stays ahead of the rest by offering a great selection of quality jewelry and outstanding customer service. Not only is Titanium-jewelry.com an online jewelry retailer there is an actual store located in Modesto, CA with gemologist and jewelers in house.
