

Simone & Son Creates Unique LoveMark Pendants

Premier Orange County Jewelers creates beautiful LoveMark Pendants with birthstone gems and initial engravings

September 20, 2012 (FPRC) -- Huntington Beach, California, United States-- Simone & Son, a premier designer of fine jewelry in Orange County has introduced a unique LoveMark pendant. The beautiful creation features a child's thumb print, birthstone and engraved initials. This pendant is a one of a kind gift that is perfect for any mother or grandmother.

The LoveMark finger print pendant has a variety of options to choose from that range in price. The pendant can be created in sterling silver, 14k and 18k white gold. The pendant can be created into a square shape and also a heart shape depending on the specific style that the customer would like. The LoveMark pendant is a unique gift symbolizing the love of being a mother. Engraving a child's initials or adding a birthstone gives the perfect touch to the finger print pendant.

Simone & Son offer a great variety of jewelry through the LoveMark collection. Each piece symbolizing something special allows customers to truly find what they love. The amazing variety of gems and certified loose diamonds can add a special dazzling affect to any piece of jewelry or a LoveMark pendant.

By utilizing the advancement in technology and computer aid, there are virtually no limitations on the exquisite works that the jewelers at Simone & Son can accomplish. By integrating modern prototyping technology models are able to be created in fine detail at a faster pace. With many years of cultivated craftsmanship and skill customers can ensure of receiving nothing but the highest quality work. Through the long passed down family tradition of making jewelry since 1945, customers can rely on the family presence and skill when choosing to customize their engagement ring.
