

## Beauty Call Opens Pop Up Hair & Makeup Boutique For The Christmas Party Season

*The London-based hair and makeup agency is running a temporary beauty boutique from its head offices in Shoreditch throughout November and December.*

December 10, 2012 (FPRC) -- The pop up boutique is now offering a selection of beauty treatments for local ladies and is delivering great value party makeovers to clients in less than an hour.

Those looking to make an impact at their upcoming office do can book themselves in for a range of pre-party pampering treats with one of Beauty Call's fully trained professional makeup artists. While the full-blown hair and makeup package is proving to be hugely popular, many are also opting for express treatments to achieve party-ready definition in a matter of minutes. Beauty-conscious businesswomen are visiting in their droves for a quick yet high impact 'Smokey Eyes' makeover, while the salon's Lips, Liner & Lashes package is going down a treat and takes just a quarter of an hour - perfect for clients who find themselves pushed for time!

To add to the VIP experience, clients are invited to enjoy a free glass of Cava when they book a treatment that lasts 30 minutes or longer.

Beauty Call is expecting heavy footfall from nearby offices as local workers prepare for their Christmas dos. The agency's head offices in Shoreditch, Central London are just a short walk from Liverpool Street station and minutes away from the capital's busy business district, meaning the pop up boutique is ideally located for thousands. However, if clients can't make it to the salon, the team are happy to travel to their own office location as long as the entire party spends £50 or more on hair and makeup.

Those who arrange an appointment either over the phone or using the company's online booking system will be required to pay a non-refundable deposit of £10 to confirm their treatment. Please visit the company's website for a full list of service terms and conditions.
