

PacificPlex is Gearing up for Prom Season

PacificPlex.com has new trendy dresses arriving daily for the upcoming prom season

January 15, 2013 (FPRC) -- RIVERSIDE, California, United States. PacificPlex, a premier online retailer and fashion leader specializing in formal evening wear and plus size prom dresses today announced that new shipments of prom dresses are arriving daily. Special sales and discount offers on prom dresses will also begin in the near future so for the customers who like to wait for a sale they will not have to wait long.

Not only does PacificPlex offer plenty of variety in styles and sizes but they also offer great sales on current trends. Dress length this prom season is varied, whether the customer prefers long, mid, or short prom dresses she need not worry because are all in style this year. Bright colors along with the classic black and white are the trend this season. Another hot look is embellishments. Many of the prom and party dresses this year have detailed beading on the bodice and straps. Glass seed beads, sequins, and crystals are used to add sparkle and beauty to these gorgeous dresses.

PacificPlex allows its users the luxury of shopping online and browsing the continuous expansion of its collection. The assortments of clothing are of top-of-the-line quality, and are the latest in the fashion industry. With the ability to carry extended sizes up to 5X, women of all sizes can enjoy and lavish in the chic and stylish appeal that PacificPlex offers.

About PacificPlex
