

EquineLUX Saddle Pads 25% Christmas Discount

EquineLUX, Canadian manufacturer of innovative English saddle pads for Dressage, Hunter/Jumper, and Eventing, announces the 25% seasonal discount to customers from the United States and Canada.

December 5, 2013 (FPRC) -- With Christmas quickly approaching, you may be starting your search for the most unique Christmas Horsey gifts. Avoid the Christmas crowds and all the running around! Manufactured in Montreal (Canada), EquineLUX Saddle Pads and Half-Pads are just the perfect GIFT for every horse and every rider.

If you are looking for a unique and high quality saddle pad or sheepskin half-pad with pockets for shims that provide maximum comfort, reliable grip with the saddle, moisture wicking and evaporation, and luxurious cushioning in the seat area, you must visit EquineLUX.com. Moreover, you can enjoy the 25% discount on all the EquineLUX products that will be on sale from December 1 to December 25, 2013. A marvelous deal that no Equestrian enthusiast or horse should miss. From junior and amateur riders to Grand-Prix professionals can take full advantage of this end-of-the-year limited offer.

To take advantage of this offer, the customer must simply type in the discount code: EquineLUX2014. This coupon code must be entered before the check out so as to reduce the price of the item. It's a simple, fast, absolutely reliable and staright-forward process. Christmas time offers will be treated with special care to guarantee 100% quality service and customer satisfaction.

Please note that the cut-off date for any Christmas orders is Monday December 16th. Make sure to order before this deadline to receive your order in time for Christmas.

To check out EquineLUX Saddle Pads, visit EquineLUX.com right now! Feel free to contact us via email at any time. We will be more than happy to assist you.

About EquineLUX

EquineLUX, a team of professional sportswear and horse-wear designers, created the next generation of English saddle pads. Their lineup of technically progressive saddle pads and half-pads combines synthetic and natural materials in bold, contemporary design, providing exceptional comfort and reliability to both horse and rider.
