

Demon's Cycle Prepares for 2014 with New Line of Products

Demon's Cycle has introduced new and exciting products for the 2014 season, as well as renewing its inventory of grips, mirrors and gas tanks.

December 6, 2013 (FPRC) -- Demon's Cycle Inc., a custom Harley motorcycle builder and custom motorcycle parts supplier, is pleased to announce several key changes to its product line in preparation for 2014. These changes include the introduction of a new range of custom handlebars that fit 2013 Harley-Davidson models, as well as a renewed range of grips, mirrors and gas tanks.

With 2014 rapidly approaching, Demon's Cycle has started planning for the coming year and is preparing to release a multitude of new and exciting products for the new year. As part of these preparation the company has also renewed and restocked its range of grips, mirrors and gas tanks.

The Harley-Davidson specialist has also released a new line of handlebars that fit the 2013 models from the legendary motorcycle manufacturer. By increasing its offerings for 2013 models Demon's Cycle is ensuring that its customers can customize the very newest bikes - allowing their riders to add extra flair and style.

"We are all very excited about the opportunities coming in 2014," said Tom Steinbacher, owner of Demon's Cycle. "We all have personal challenges which we will face and overcome during the next year, but as a business Demon's Cycle is ready and eager to see the new year as we prepare to launch the many new and exciting products we have ready."

However before 2014 arrives Demon's Cycle reminds everyone that there is still time to buy parts and essentials for the colder weather or in preparation for any planned rides during the holiday period.
