

## **Canterbury Bankstown Towing (CBTservices) is Growing and Expanding its Services**

*CBT is continuously expanding its services to cater needs of customers who need general towing, salvage towing, accident towing or car park towing.*

December 7, 2013, Sydney -- Canterbury Bankstown Towing (CBT) is an owner-managed business providing towing services throughout Sydney. Its head and owner Wayne Jones, along with his team of 12 dedicated towing professionals, is dedicated to offer all towing services. Its fleet of 8 tow trucks is available around the clock throughout the week. Wayne Jones, the head and owner of CBT, promises that "our customers can be assured that we'll be there within the hour, 24 hours a day, 7 days a week".

CBT offers a wide range of towing services to its customers which include individuals, police department, and major insurance companies. It is an accredited member of the Roads and Transport Association (RTA). The services offered by CBT include:

Transportation of used and new automobiles:

CBT provides towing services for transportation of used and new automobiles from one location to another for individuals, from ports and factories to automobile dealers, from one dealer to another dealer, from automobile auctions to dealers. CBT uses four-to-ten-car carriers and flatbed trucks for providing these services.

Transport of heavy equipments:

CBT provides services for transportation of heavy equipment, like construction machinery and tractors, from rental yards to job sites or from one job site to another job site. These services are usually used by equipment leasing companies, contractors, municipalities, and construction companies. CBT uses very large, customized, heavy duty transport vehicles for providing these services.

Insurance salvage towing:

Automobile auction and insurance companies hire CBT on a contractual basis to provide towing services for destroyed or damaged automobiles. Usually flatbed trucks are used by CBT for providing these services.

Commercial Road Service:

Repair services and automobile dealers benefit from CBT's towing services for commercial customers. Along with towing services, it also provides repair services, roadside assistance, and vehicle recovery services to commercial fleet operators. CBT uses large sophisticated recovery vehicles for large vehicles and light- and medium-duty tow trucks for small vehicles.

Car park towing:

CBT provides services for towing automobiles that have been illegally parked on private property.

These services are usually hired by hotels, retailers, shopping centers, apartment complexes, other private customers. Usually light- and medium-duty tow trucks and flatbed trucks are used for providing these services.

Law enforcement agency towing:

CBT provides towing services when a vehicle has been abandoned, the driver is not licensed or not insured, the vehicle is unregistered, or the vehicle is stolen and recovered. Government departments, insurance companies and finance corporations are the customers who hire these services of CBT.

CBT strongly believes in providing timely services of high quality with a courteous and friendly behavior with the customers. Wayne Jones said that "Prompt and efficient service is what we pride ourselves on. We stand behind the promise to be there within the hour. For our customers this means no unnecessary delay in having their vehicle attended to and an experience of minimal stress in an accident situation. We deliver a high level of customer service with a courteous, "can-do" attitude at all times." For more information please contact us now.
