

MEI's Announces New December Deals

MEI is offering all Pully Bully's and all Power Units at a discounted price for the month of December.

December 13, 2013 (FPRC) -- Mankato, Minn., -- MEI, Custom Elevator Design specialists has a special for the month of December. For this month only MEI, purchase a power unit, Dry Pully Bully or Submersible Pully Bully and get it at a discounted price. The Dry and Submersible Pully Bully's are 25% off the original price and power units are on sale for \$200 off the original price.

The Dry and Submersible Pully Bully's are originally \$1,599.00, but with this limited-time offer a customer can purchase one for just \$1,199.00.

MEI's new Dry Pully Bully makes changing a dry motor an easy proposition. It is safer and a streamline method for saving someone time and stress on a service call. Designed by MEI, the Submersible Pully Bully makes changing a submersible pump or motor quick and efficient. This pully bully is safe and an economical method in saving the customer time on the next service call. These pully bully's are effective due to their quick and easy setup.

Again, these offers are only valid if purchase is placed in December.
