

All-Star Lineup for Ray and Jessica Higdon's Top Earner Academy 2

Top Earner Academy 2, June 12-15, 2014, in Orlando, Florida, promises to be one of the most influential and inspiring training events in the network marketing and direct selling industry. Headliner's include Kevin Harrington (Shark Tank), best selling author Russ Whitney, and a host of top earner network marketing super stars. Live attendance tickets are limited.

March 20, 2014 (FPRC) -- For Immediate Release:

Top Earner Academy 2, Ray and Jessica Higdon's flagship training event for the network marketing and direct sales industry, will be host to one of the most influential and inspiring lineups of speakers and trainers ever assembled for such an event.

This year's lineup of talent includes for the first time ever in a network marketing event, Mr. Kevin Harrington, founder of "As Seen On TV" and an investor "Shark" on the ABC television series, Shark Tank. Kevin's extensive experience will be brought to bear in teaching attendees how to get more customers, sell their products, and launch ideas into products.

Best selling author, successful entrepreneur, and millionaire real estate mogul, Russ Whitney, will share his secrets of attaining wealth and success. The author of the best selling book: "Inner Voice: Unlock Your Purpose and Passion," and founder of one of the largest publically traded financial education companies in the world, Russ will inspire attendees with his formula for tapping into one's native capabilities to achieve profound success in life and business.

The lineup of network, affiliate, and internet marketing talent is most impressive, with luminaries such as Mark Hoverson, Vince Reed, and Lisa Grossman. These top-earners, coupled with Ray and Jessica Higdon, will surely deliver one of the most effective and inspirational events of its kind.

Top Earner Academy is an intensive multi-day event featuring top talent in the network, affiliate, and internet marketing professions. This is the second year of the event, following a highly successful first event in 2013.

To ensure a quality experience for the attendees, seating for this premier event is limited to 350. This is an exclusive and limited event, with live streaming available when tickets sell out or for those who cannot attend in person.
