

## **RugKnots.com Launches Site Offering Handcrafted Rugs at Reasonable Prices. Proceeds Benefit Education Worldwide.**

*RugKnots a leading producer of high-quality handmade oriental designer rugs, now has launched an e-commerce site making their handcrafted designer rugs available at extremely affordable prices to consumers and interior designers. Each handcrafted rug is a testament of beautiful artistry, and you can feel good in knowing that two percent of RugKnots' sales go toward supporting children's education across the world.*

April 16, 2014 (FPRC) -- Washington D.C., United States

RugKnots a leading producer of high-quality handmade oriental designer rugs, has now launched an e-commerce site making their heirloom handcrafted designer rugs available at extremely affordable prices to consumers and interior designers. As a producer and seller, there is no "middle man" raising the retail price of rugs, offering stylish and quality rugs, at the most competitive prices in the oriental rug industry.

These rugs are beautiful, original and distinctive - and destined to be cherished heirlooms for generations to come. RugKnots is extremely passionate about quality, design, craftsmanship and providing great customer service.

RugKnots also produces high-quality custom oriental rugs, by a highly-skilled workforce, in a fraction of the time at a significant price reduction. Saving you months on your rug order compared to industry standards.

Need to know how to choose or create the perfect oriental rug for your living space at an affordable price? Download the RugKnots e-book and guide to finding that perfect rug.

Or, use the RugKnots.com ask a designer free service, to find that perfect fit for any room in your home.

Each handcrafted rug is a testament of beautiful artistry, and you can feel good in knowing that two percent of RugKnots' sales go toward supporting children's education across the world.

RugKnots is committed to furthering education through the building of schools in rug and textile manufacturing countries like Pakistan.
