

Bob McCarty Wins USA Cycling Cross-Country Mountain Bike National Championships on a Stradalli

Four times Florida State champion Robert “Bob” McCarty has won the men’s 40 to 44 category at the USA Cycling Cross-Country Mountain Bike National Championships.

July 22, 2014 (FPRC) -- Pompano Beach, Florida - Stradalli Cycle, the high performance carbon bicycle manufacturer, is pleased to announce that professional cyclist Bob McCarty is the new men’s 40 to 44 USA Cycling Cross-Country Mountain Bike National Champion. Bob won the title on a full carbon Stradalli Mountain Bike.

McCarty, who has been riding professionally since 2010, beat his rivals Gregg Galletta and Eric Schofield by over four minutes with a gold medal-winning time of 1:38:07.

Robert is no stranger to winning. He has been the Florida State Champion no less than four times, winning in 1997, 2011, 2012, and 2013. As well as being ranked as the number one 40-49 year old in the USA, Bob also recently took the podium at the 2014 Mellow Johnnys Classic and then in April he went on to win the 2014 Sea Otter Classic in Monterey, CA.

Bob rode a full carbon Stradalli Mountain bike during the Cross-Country Mountain Bike National Championships. The frames on Stradalli’s mountain bikes are made using 100% carbon fiber and have a tensile strength of 50 tons per square cm. This makes the frame strong but light, the ideal combination for mountain biking.

“Bob McCarty has proved again that he is a world class athlete,” said Thomas Steinbacher, CEO of Stradalli Cycle. “We are proud that he was riding one of our bicycles and we know he plans to ride the same bike in more events this year.”

Now that McCarty has won the Nationals in PA., he now plans to go to the World Cup in NY., and the World Championships in Norway. After that he plans to return to the USA to defend his Florida State Title for a 5th time.”

The USA Cycling Cross-Country Mountain Bike National Championships take place every year at the Bear Creek Resort in eastern Pennsylvania. This year’s the event was held between July 17 and 20.
