

Launch of New Company Website Announced by Tackett Floral Supply

Tackett Floral Supply of Pikeville, KY, announced today that the company has launched a new website to help expand the scope of their floral supply business operations.

August 12, 2014 (FPRC) -- Pikeville, KY - Tackett Floral Supply, the Pikeville, KY. floral supply business, announced today that the company has launched a new website - TFloral.com. Tackett's Pikeville store location has been in operation for more than six years and now, with the addition of the new online version of Taggets, the company hopes to expand their well-established business to larger client base in and around the greater southeastern region of the U.S.

"We've always had strong demand for our products from outside the greater Pikeville area. By adding a new company website we are better able to serve all of our clients, whether they be in Kentucky or in any other part of the U.S.," said Paul Tackett, owner of Tackett Floral Supply.

Paul Tackett started his brick and mortar store with a vision to serve the local floral industry. Now he is watching his business grow as it takes the necessary steps to present their product line to a larger audience at everyday low prices. "We are continually expanding our line of products and have a large selection of high quality silk flowers, ribbons, burlap, and Christmas items at low prices," added Tackett.

Tfloral.com, is a full-service online shopping outlet. The website features a large inventory of floral supplies and accessories. From special occasion items and holiday flowers to silks and ribbons, visitors to the new website will find everything they'll need to create unique floral designs and decorations. The shopping cart feature on the site also makes for quick and convenient checkout for every item purchased. Tackett's will ship their products to virtually any address in the U.S.

Visitors to the new site can create their own online account, purchase gift certificates and submit their wish lists to Tackett's. They can also check the company's blog for the latest news and information about the company and the floral supply industry.
