

Luxury Car Rental Club Makes New Range of Exotic Cars Available To International Clients

LuxuryCarRentalClub.com has just received a new consignment of the latest and greatest supercars and has distributed them to their dispatch centers throughout the world.

Miami, Florida, April 10, 2015 (FPRC) -- A supercar is many things to many people. It is a status symbol, a dream experience and a sign of having achieved. However, even for affluent business tycoons, owning a supercar is a huge investment for special occasions. To solve this problem, Luxury Car Rental Club was founded, enabling clients to enjoy the complete exotic car rental experience. LCRC have just introduced their very latest fleet of vehicles to their distribution centers around the world.

Luxury Car Rental Club now have new Ferraris, the latest Lamborghini Aventador and even the McLaren available to rent in several worldwide locations. A best kept secret of the rich and famous, Luxury Car Rental Club allows anyone to drive the finest cars in the world, without any of the upfront or ongoing costs.

Luxury Car Rental Club is a VIP club serving London, Monaco, Cannes, Paris, Rome, Dubai, Las Vegas, Miami and many more prestigious travel destinations. Applications to join the club are now open for a limited time, individuals can apply via the website or by calling the North American or European headquarters.

Nicholas Cowell of Luxury Car Rental Club explained, "The latest fleet of vehicles represents a quantum leap in supercar technology. We are seeing hybrid technology, which has been used to make cars more efficient, also making them faster and more powerful than ever. Bugatti, Lamborghini, Ferrari and McLaren are taking drivers into the future, and through us, that future can be available to rent today."

About Luxury Car Rental Club: Luxury Car Rental Club is the world's premier members club for renting luxury and exotic cars. The club is already serving Arab royalty, A-list celebrities, athletes and rock stars, allocating Ferraris, Lamborghinis, Rolls Royces and more. They operate 24 hours a day in more than 150 cities around the world. They are the first to get the newest and most exclusive luxury vehicles on the market.
