

## **Silent SEO Ninja Increase Range Of Services To Offer Four Unique SEO Packages**

*Silent SEO Ninja has expanded their suite of services to include two new packages, called Atomic Link Juice and Homepage Takeover respectively, to provide people with powerful SEO catered for their needs.*

Dallas, TX, May 19, 2015 (FPRC) -- Search Engine Optimization is one of the most essential strategic tools for business growth, and it works best when users don't even know it's there. Affordable Dallas SEO agency, Silent SEO Ninja, specializes in under the radar techniques that get the best results. As well as offering standard monthly SEO packages that offer long term growth and engagement, and bespoke packages tailored on a client by client basis to achieve specific goals, Silent SEO Ninja now offers Homepage Takeover and Atomic Link Juice for short-term, fast acting results.

Homepage Takeover offers high PR, niche specific, authoritative and exclusive back links to the homepage to ensure that it ranks highly on a range of keywords in no time at all; helping sites that are just launching create an instant boost of brand visibility.

The Atomic Link Juice package is designed for people who don't want a monthly service. The package is designed to produce high authority, niche specific links that will boost a websites authority and search engine rankings. All links are PR5 or above and the prices are industry leading for this quality of links.

A spokesperson for Silent SEO Ninja explained, "We have done everything we can to ensure these new products are targeted at filling holes in the SEO supply and demand relationship. We understand that some customers do not want to commit to steady, monthly SEO strategy packages but still want the benefits of what SEO has to offer when launching or growing their business. These two new services provide novel answers to that demand, and provide clients with ways to quickly establish themselves in the market. We look forward to helping more businesses stand out with our white hat links that have proven so effective for local businesses."
