Hawaiian Church going on a Pilgrimage, following the foot steps of Moses and the Israelites call Bondage to Freedom. They are filming and producing the trip to bring to those who cannot go. Their leader Dr. David Tipton (Waxer) is all about teaching the word of God and equipping the saints.

August 19, 2015 (FPRC) -- Hawaiian Church, One Love Ministries on one of the islands of Hawaii has a group of 15 going to Israel and Jordan to be apart of something that is real. There leader Dr. David Tipton (Waxer) is all about teaching the word of God and equipping the saint. In the midst of military leader, countries and religious groups from around the world boycotting and calling for the annihilation of Israel these brave souls and their church stand with and support Israel and believe what the Bible says about Israel.

The Bible has many references to Israel as the promise land. In the book of Isaiah it says Israel will be saved. In the book of Revelation it says the end of end battles will take place at Valley of Megiddo. This band of Christians from Hawaii will be making the pilgrimage, following the footsteps of Moses and the Israelites through Israel and Jordan called Bondage to Freedom. They will be filming and producing at the locations of the event of the Bible to share with others who are not able to go themselves or to share the word of God with those who have not heard. The project has overcome many challenges but has prevailed in the midst of headwinds. The struggle is real for everyone but they know and believe all things are possible through God. They have been trying to raise support but have been disregarded as our world moves farther away from God. To support the group a crowdfunding has be started.
