

Kendall Dodge Chrysler Jeep Ram Announces New Specials for 2016

The specials cover both regular maintenance tasks and offers on new vehicles or trade-ins, reports KendallDodgeChryslerJeepRam.com

Miami, FL -- January 18, 2016 (FPRC) -- Kendall Dodge Chrysler Jeep Ram announces they are offering new specials to kick off 2016. Individuals visiting the dealership website find they can have their battery inspected for free simply by making a service appointment or receive 50 percent off a diagnostic test. The specials cover not only regular maintenance, but also offers on new vehicles and trade-ins. Saving money has never been easier with the help of this dealership.

"This is the year to ensure your car is properly maintained at all times. Studies consistently show it is much cheaper to maintain a vehicle than to repair one, yet many vehicle owners postpone or ignore these tasks. These specials are designed to ensure customers get the services they need at a price they can afford. Visit our website to check out the Internet specials being offered at our miami jeep dealership," Chloe Lykes, spokesperson for Kendall Dodge Chrysler Jeep Ram (www.KendallDodgeChryslerJeepRam.com), announces.

A study conducted by the Car Care Council in 2004 found that underperformed vehicle maintenance leads to more than \$2 billion in bills for accidents each year. This doesn't take into account the fact that failing to maintain a car can significantly reduce its lifespan, in some cases by as much as 50,000 miles or more. Maintaining a vehicle is always more cost effective than making repairs when something breaks down.

"Oil lubricates the engine and keeps it clean, reducing friction on essential engine parts. When this routine task isn't performed as recommended by the manufacturer, a driver may find they are in need of a new engine, one that can run into the thousands of dollars. Tires must be rotated and timing belts replaced. These are only a few of the many maintenance tasks Kendall Dodge Chrysler Jeep Ram can be of help with," Lykes continues.

Some individuals find they want to upgrade their vehicle, and Kendall Dodge Chrysler Jeep Ram offers specials for those looking for a jeep for sale in miami or many other vehicles. Receive \$750 dealer bonus cash when purchasing or leasing a new vehicle or obtain a \$1,000 trade in bonus. Certain conditions do apply with these offers.

"Visit the site to check out the specials currently being offered. Make 2016 the year you maintain your vehicle to ensure it is running at all times. Doing so becomes easier with the help of these offers and, for those looking to buy a new car this year, the specials on new vehicles are sure to be appreciated also," Lykes declares.
