

## **Artisan of Beauty Achieves Recognition As Dr. Tim Neavin Named One Of Top 100 Plastic Surgeons In USA**

*Artisan of Beauty's Dr. Tim Neavin is a Board Certified Plastic Surgeon in Beverly Hills, California who has just been named one of the Top 100 Surgeons in the United States by Real Self.*

Beverly Hills, CA -- March 2, 2016 (FPRC) -- Plastic surgery has become more and more common in the last ten years thanks to huge advancements in technology and techniques that have led to even better results, leaving behind the extreme transformations and instead making subtle alternations to augment and perfect the natural beauty within. Artisan of Beauty is a plastic surgery practice in Beverly Hills, California, an area famed for its plastic surgeons, and it has just been recognized as one of the top 100 practices in the country by online review site RealSelf.

RealSelf helps users discover treatments, products, and clinicians that are recommended by real people. The site now has tens of millions of worldwide users and is a trusted source of advice, guidance and testimonials. Every year, the site gives awards to clinicians in the United States that have been voted into the top 100 by users, and this year, Artisan of Beauty's Dr. Tim Neavan achieved that honor.

Artisan of Beauty ( [www.artisanofbeauty.com](http://www.artisanofbeauty.com) ) offers artfully balanced plastic surgery designed to create timeless beauty without creating aggressive or obviously altered looks. They offer a wide range of advanced procedures for the face, breast and body that create stunning results safely and effectively. In addition to their award winning Los Angeles practice Dr. Neavin is also known as the top rated Castle Connolly Plastic Surgeon and has clinical faculty at UCLA.

A spokesperson for Artisan of Beauty explained, "We are thrilled for Dr. Neavin to have received this kind of accolade from RealSelf, where real people go to discuss the results they have had from real procedures undertaken leading plastic surgeries. The rankings have been created using the genuine user feedback to the site, which means in order to rank in the top one hundred a practice must be both extremely popular and capable of producing outstanding results. As such, this achievement is a reflection of what Dr. Neavin has worked so hard to build – an outstanding name and reputation for excellence."
