

Announcing the launch of the company Crowdfunding Campaign Program

Alchemy OTC Markets Specialists, LLC Announcing the launch of the company Crowdfunding Campaign Program to facilitate funding for Private and Public companies pursuant to the SEC JOBS Act 2012.

A Crowdfunding Campaign program to facilitate companies fund raising requirements

August 31, 2016 (FPRC) -- Las Vegas NV //For Immediate Release//

Alchemy OTC Markets Specialists is launching a Crowdfunding Campaign program to facilitate capital raise for both public and private companies supported with both Pr & IR Programs structured to meet a company's budget.

The Crowdfunding Campaign program typically runs for 6 weeks depending on company budget and the # of "PR program modules" incorporated into the Campaign PR/IR programs.

The PR program modules relate to the # of double opt-in stock investors being distributed the company's Crowdfunding information and directing the investor to the SEC/FINRA registered Crowdfunding portal where the company information is posted.

A single PR program module typically has 5 million double opt-in stock investors including financial media forums, financial portals etc. Our Crowdfunding Campaign program is scale-able to meet any companies budget funding time duration.

Included in the Campaigns are distribution through thousands of investor & stock web sites and thousands of other financials forums.
