True Vision Funding is offering lump sum cash payments to lottery winners and structured settlement payees nationwide.

October 3, 2016 (FPRC) -- Today, True Vision Funding LLC (TVF), a leader in the financial services sector, announced it is offering lump sum cash payments to lottery winners in all 50 states and launching a industry-leading structured settlement program with exceptionally low rates to individuals receiving periodic payments.

It is a customer service approach that allows individuals to make their own decisions based on their current financial needs and aspirations,” said TVF Partner and COO, Sonny Choudhury. “We support the decision-making process for our clients, who ultimately decide when to receive the money, how much of it they want up-front and how much of their lump sum they want to spend.”
