

Ginger Syrup From Ginger Blaast Received FDA Approval In The State Of Maryland

Ginger Blaast provides all natural Ginger Goodies for your Breakfast, Appetizers, Cocktails and more.

Ginger Blaast provides all natural Ginger Goodies for your Breakfast, Appetizers, Cocktails and more. United States - January 11, 2017 /MarketersMedia/ -- One of the best selling products from Ginger Blaast has received FDA approval in the state of Maryland. In a recent announcement, family run business that offers a variety of organic ginger based products, Ginger Blaast revealed that their popular Organic Ginger pancake syrup has now been approved the US Food and drug administration and the state of Maryland department of health and mental hygiene for the production and sale to US consumers.

The syrup contains all the goodness of pancake cake syrup - a classic favorite - with a delicate twist of all natural ginger flavor that can elevate any pancake and waffle breakfast to the next level. The Ginger Blaast spokesperson said: "We are happy to announce that your beloved Ginger Blaast Syrup has received the approval from the US Food and drug administration and the state of Maryland department of health and mental hygiene for the production and sale of their ginger products to the US consumers. Our customers who have always trusted us to deliver safe and wholesome products have been the greatest source of appreciation and motivation for us, we hope that you guys will continue to support Ginger Blaast and we promise to deliver reliable organic, all natural ginger products that add flavor to your life and boost your health."

The ginger syrup along with Ginger Blaast's range of goodies are always available on their online store, the company delivers worldwide for their buyers from around the world which allow them to reap benefit from the delicious ginger products with the trust of FDA approval. In the future, the Ginger Blaast company will continue to craft and manufacture high quality and great tasting natural and organic ginger based products.

The Organic Ginger syrup is always prepared in small batches using Ginger Blaast family's secret recipe that preserves the natural flavor of ginger and delivers it in a rich golden delicious syrup that's is rich in anti-oxidants and stomach soothing properties and has no artificial flavors, sweeteners, color or preservatives, making it the perfect accompaniment to the variety of different dishes both savory and sweet. Ginger is said to soothe the throat and stomach, warm the internal organs, and ease nausea and ailments from colds to headaches. According to research, ginger is also a powerful antioxidant with over 12 constituents said to be superior to vitamin E.
