Our new joint partnership will give artists and creative a place to show their art and constant marketing and promotion. We are not a regular online gallery. We act as a gallery, sales channel and artist branding and promotion/publicity engine to help artists who need marketing and prefer spending time creating and not promoting themselves. We are very oriented to the working artist and our packages set-it-and-forget it for monthly continued exposure.

Packages start at just \$35.00 a month. Those interested in learning more about the partnership can do so here: <http://www.artmarketing101.com>. Those interested in purchasing Art Marketing and Publicity for Artists can do so here: <http://www.101artists.com>.
