Cosmopolitan Collection announced today that their best-selling acrylic makeup organizer will receive an updated Amazon.com listing for the spring selling season. El Paso, TX, United States - March 13, 2017 /PressCable/ --

The long and dark days of winter are almost over, and spring is quickly approaching. Spring is the time of year when people like to clean out and organize, and Cosmopolitan Collection is taking this to heart this year, and they launch a new Amazon.com listing for their best-selling acrylic makeup organizer.

"Our makeup organizer has been for sale for two years now," explained Cosmopolitan Collection spokesperson Rob Bowser. "During that time we have made some updates to the organizer, to the photos. Now we want to go through, review our Amazon.com listing very carefully, and update the information contained on the website. Since our makeup organizer is only sold on Amazon.com, keeping the listing updated is a top priority for us."

Over two hundred customers have left reviews on the Amazon listing for the makeup organizer. Of those reviews, ninety-seven percent of customers said they liked their makeup organizer. One of the top five-star reviews came from a verified purchaser who wrote, "I did a lot of searching before I purchased this organizer. I love how the two sections come apart. You can keep them stacked together, but it gives you the option to customize it to fit what you need. I sometimes take one section apart and move it closer to me so I can get easier access to my mascara and eye liners. I was trying to find a way to store my makeup so I could access everything but see it too. This little organizer was a great solution. When it arrived in the mail, it was packed very carefully and when I opened it I was stunned. It was heavier than I thought it would be and a lot sturdier. You just can't tell from the photo how high quality this organizer is. I love it and hope to use this for many years to come."

The acrylic makeup organizer by Cosmopolitan Collection is currently priced at \$34.99, or over 40% off the retail price. All Amazon Prime customers will receive free two-day shipping, and any Amazon order over \$49 will receive free standard shipping. Cosmopolitan Collection offers a money-back guarantee for every makeup organizer purchased.
