The kit is fully equipped for small to medium size groups for treating severe cuts, injuries and other common emergencies. Georgetown, CT, United States - March 13, 2017 /PressCable/ --

Patch Up Products, a Georgetown, Connecticut company specializing in first aid solutions, launched its' new family Patch Up Emergency First Aid Kit with 275 pieces and 40 unique items.

More information is available at <http://patchupkit.com>.

First aid kits are essential in a variety of environments, and they are often legally required in public places and also in vehicles. They can be found everywhere from homes and personal cars to large business centers, and they are vital in case of an emergency.

Many people choose to have a first aid kit at hand when they go camping and hiking, while others prefer a fully-equipped medical care pack at home. Keeping all medicine and medical equipment in one place saves valuable time in case of emergency, and can often be crucial when one's life is at risk.

The family survival first aid kit from Patch Up Products is designed to provide emergency medical care for small to medium size groups, making it suitable for home, family outdoor adventuring, survival situations and sports.

The Patch-Up Emergency First Aid Kit contains 275 pieces and 40 unique items, to amply provide complete first aid services in a variety of situations.

The medical supplies and instruments include essentials such as scissors, tweezers, thermometers, medical face masks, a mouth to mouth resuscitation device, disposable gloves, blankets, cotton buds and safety pins.

The Patch-Up family and survival first aid kit is fully equipped to provide immediate help in case of small cuts, burns and insect bites. The tough nylon water-resistant kit bag contains large amounts of adhesive bandages of different sizes, from fingertip to elbow-size, as well as burn cream, alcohol pads and sting-relief packets.

For severe cuts and bleeding, the kit contains an abdominal combine pad, sterile gauze pads, non-adherent wound pads, gauze rolls and ten large wound bandages.

Finally, the Patch-Up First Aid Kit is also fully equipped for medium cuts, sprains and injuries, with items such as crepe elastic bandages, tongue depressors and eye patches.

The Patch-Up First Aid Kit is well organized with expandable see through zippered pockets and is well-equipped with hospital grade emergency supplies, to provide emergency preparedness, safety and protection. It is available on Amazon.
