ALTA, CA - Rolling Garage Doors & Gates earns esteemed 2016 Angie's List Super Service Award. This prestigious award reflects Rolling Garage Doors & Gates' consistently high level of customer service.

Rolling Garage Doors & Gates earned the Home Service Industry's coveted Angie's List Super Service Award, reflecting an exemplary year of customer service to members of the Garage Door and Driveway Gate Services Marketplace and the Angie's List Consumer Review Site in 2016.

This achievement is particularly significant as Angie's List experienced unprecedented member growth in 2016. More than 1.6 million consumers, many of whom were eager to quickly hire highly qualified service pros, joined Angie's List after the company added a new, free membership tier.

"Companies that can meet higher demands without missing a beat in their exemplary performance standards truly do stand apart from their peers," said Angie's List Founder Angie Hicks. "Only a fraction of the Garage Door and Driveway Gate Service Companies in Nevada, Placer, Sacramento and El Dorado Counties were able to do it."

Angie's List Super Service Award 2016 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade. The SSA winners must also be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Shane Dalton, Owner of Rolling Garage Doors & Gates was very honored to receive the 2016 Super Service Award saying, "We have worked with Angie's List for a while now and have always received great reviews from the clients we received through their lead services. It is a tremendous honor to receive an award like this from such an extremely reputable organization. What a wonderful sense of accomplishment it is for us to be recognized by Angie's List for the hard work and dedication we put into the Garage Door and Driveway Gate Services we provide. It is very appreciated and we expect 2017 to be just as successful. Thank you, Angie's List!"

Service company ratings are updated daily on Angie's List as new, verified consumer reviews are submitted. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.

For more than 21 years, Angie's List restricted access to its verified reviews to consumers who paid membership fees. When the company removed that barrier, some companies worried that the new, non-paying members would not be as engaged as members of the past. Experience has shown, however, that these newly added members are just as engaged - across all age groups - as prior members. Also, because the company continues to adhere to its review verification process, there has been no degradation of review quality.

"The biggest change at Angie's List is that we are connecting even more consumers to high quality

service professionals," Hicks said. "And that's good for everyone."
