TieSecret has introduced free shipping for every country in the world, making their products more accessible than ever before to new markets, and maximizing the potential of their online store. Hong Kong - March 14, 2017 /MarketersMedia/ -- It has long been said that clothes maketh the man. While many men would agree, it is impossible to have an inexhaustible collection of suits, and most men must make do with one or two. Fortunately, it is possible to redefine and rejuvenate any suit by carefully selecting ties, cufflinks, and other accessories. TieSecret is a men's fashion brand offering affordable suit accessories that can transform the look of any two- or three-piece, and has just announced free shipping worldwide on all orders over \$50 dollars.

The website has made its price list available in five different major currencies, including US dollars, Chinese Yuan, the Euro and more. Further to this, it has been fully Google Translate optimized, ensuring clear and comprehensive descriptions in all major languages at the click of a button. The website makes ordering as easy and secure as possible, supporting all major credit cards and PayPal.

The company offers a huge range of products including skinny ties for men and bow ties for men, organised by style and principle color, to make it easy for individuals to coordinate their accessories. These can be further shortlisted by material, pattern, price or size, making shopping simple and fun. Individuals can even request custom logo and pattern embroidering.

A spokesperson for TieSecret explained, "We are thrilled to be able to extend our free shipping services to a worldwide audience, helping ensure our online store has unbeatable reach for affordable prices. Our Hong Kong store has been thriving for fifteen years, and this online branch is now going from strength to strength. We are able to offer the best range of items at the best prices, without sacrificing on quality. With full currency and language support, we look forward to welcoming orders from around the world very soon."
