"As we launch into our busier season, we want to help more customers be aware of our pink flamingo float, and the fun times that can be had with our float. We feel that an updated website can help communicate these things."

Josh & Nikki wrote a five-star review and said "I have never seen so much joy on my kids faces as when we blew this baby up. They were so excited. You guys the picture do not do this justice. This is HUGE. Which is great for my family since we have five kids. I couldn't believe it, but all five fit on it! This is the most durable floaty/boat we have ever had. My oldest daughter commented on how she didn't see this ripping or popping ever. It has been so fun for my kids to use at the lake or in a pool. We have gotten lots of people asking where they can get one. It is the perfect water toy for my family. I highly recommend this to anyone."

The Teddy Shake pink flamingo float can be purchased only on Amazon.com and is currently priced at \$34.99.
