*Dallas Fort Worth Concrete Company Acquires Local Company To Offer Flat Sawing, Wall Sawing, Core Drilling, Joint Sawing, Concrete Replacement And Structural Concrete Repairs*

Dallas Fort Worth Concrete Company Acquires Local Company To Offer Flat Sawing, Wall Sawing, Core Drilling, Joint Sawing, Concrete Replacement And Structural Concrete Repairs Grapevine, United States - March 14, 2017 /PressCable/ --

A.C.T. Saw Cut-Removal LLC announced today that it recently acquired Concrete Penetrating Co. The company acquired offered flat sawing, wall sawing, core drilling, joint sawing and sealing, dowel drilling, structural concrete repairs, and concrete replacement throughout the Dallas Fort Worth and North Texas region.

Tony Dierolf, owner of A.C.T. Saw Cut-Removal LLC, said, "We wanted to expand our concrete service areas as well as service offerings. The opportunity to acquire Concrete Penetrating Company, with its over 50 years of experience in the Dallas Fort Worth area, presented itself. We decided to acquire the company in order to help A.C.T. Saw Cut-Removal transition into a more robust and full-service concrete company with expertise in these more skilled concrete services."

According to company representatives, A.C.T. Saw Cut-Removal LLC offered its saw cutting and core drilling services in the cities between Dallas and Fort Worth and some of Denton County including Irving, Arlington, Carrollton, Keller, North Richland Hills, Coppell, Lewisville and Hurst. Company officials indicated that the acquisition of Concrete Penetrating Co. now gives the company expanded service areas. Concrete Penetrating Co. employees and executives also were members of the Concrete Sawing & Drilling Association (CDSA) and the International Concrete Repair Institute.

A.C.T. Saw Cut-Removal's website indicates that the company's services in the Dallas Fort Worth include concrete hauling, core drilling, demo cutting, wall sawing, electric sawing, green concrete cutting, soft cut service, pressure washing and commercial power washing. The company also offers hauling and delivery services in the DFW Metroplex region including sand, gravel and construction material. The service is for both residential and commercial customers.
