The acrylic makeup organizer by Cosmopolitan Collection is consistently ranked one of the top-selling makeup storage units on Amazon.com. A continued increase in demand has led to product shortages, leading to a time when the organizer was sold out and not available for purchase. A company spokesperson issued a statement this week to assure customers that production has been increased and the popular organizer is back in stock.

"We set some very aggressive sales goals for this makeup organizer," stated Cosmopolitan Collection spokesperson Rob Bowser. "Even though we increase production, there was still a shortage of the organizer for a short period. We want to make sure our customers know that we have taken steps to correct this, and the organizer is now available for purchase again. We will take every effort to continue to keep up with this demand."

With four drawers and 15 different shaped compartments, the Cosmopolitan Collection acrylic makeup organizer holds a large variety of cosmetics and accessories. It is scratch resistant, shatterproof, durable and very easy to clean. These features have made the makeup organizer a hit with professional beauticians, who love the product's durability and flexibility.

Over 200 customers have left reviews on Amazon.com, with 98% of customers saying they liked their organizer. The average rating is 4.7 out of 5 stars. Sarah wrote a five-star review and said, "I purchased this as a Christmas gift for my sister.! I must say I am really impressed by the quality of this item. I did, on the other hand, think it would be just a tad but bigger. I am still very impressed by this item. My sister does the whole Sephora thing. buying the newest and hottest things out. I think this will compliment and organize the pretty things she likes. Thank you for the fast shipping and great product keep up the good work!!"

The Cosmopolitan Collection makeup organizer is sold exclusively on Amazon.com and is currently on sale for \$34.99. Free shipping is available on all purchase over \$49. Any customer not completely satisfied with their makeup organizer can return it for a full refund.
