Spring is a time when the world becomes more colorful. Trees and flowers bloom, grass becomes greener, animals are everywhere, as is color. In order to celebrate this burst of color, Teddy Shake announced this week that they would offer some limited time incentives for customers and fans of their 105-piece gel pen set.

"Our gel pen set contains 105 pens of so many different colors," stated Teddy Shake spokesperson Bailey Anderson. "Customers have sent us messages about how they love to use our gel pen set for adult coloring books, journaling, scrapbooking - so many things that they love to add color to. Since the first day of spring is next week, we wanted to give something back to our customers. For a limited time, we will offer a stacked discount, where they can get our best-selling gel pen set for the lowest price ever."

The gel pen set by Teddy Shake has been on the market for nearly five months now. Since that time, the colorful gel pen set has become a best-seller on Amazon.com, the exclusive selling partner for the gel pens. Every Teddy Shake gel pen is specially designed to hold sixty percent more gel ink than other gel pens. The pens are made with a special, custom tip that provides a smooth, continuous flow of ink while writing or coloring. The Teddy Shake gel pen set contains a variety of color groups, including glitter, metallic, neon, milky and rainbow.

Currently priced at \$24.99, the Teddy Shake gel pen set is available with free shipping for any purchase of \$49 or more.
