

Levitating X Set To Launch New Campaign On Kickstarter

Levitating X Partners With Funded Today For Launch

Levitating X Partners With Funded Today For Launch Chicago, United States - March 15, 2017 /FundedToday/ -- Levitating X has just launched a Kickstarter campaign for their unique levitating device. They hope that, with the help of Funded Today, they can be completely funded by the end of their campaign.

Product Specs

Levitating X is a device that allows users to defy gravity and levitate different items in their home or office space. At their lab in Chicago, Levitating Design Labs has come up with a platform that can levitate plants, dinnerware, or display cases. The device utilizes electromagnetic suspension and offers interchangeable objects to levitate for the users convenience.

Pricing and Availability

Levitating Design Labs has partnered with Funded Today for the campaign release of Levitating X. Once it reaches the funding goal, the product is set to be produced and shipped to all backers worldwide by June 2017. The base comes in chrome, white or black and the starting price for one unit is \$250.
