AutoSmart, Inc., an Oswego, IL based used car dealership achieved a huge milestone this March, by celebrating 6 years of being in business. They have provided personalized vehicle buyer and seller representation for its customers since March of 2011.

AutoSmart was founded by automotive industry veterans Brian Caldwell and Scott Twait. The company was formed to provide consumers with a hassle-free car buying experience, while giving them peace of mind that they had saved money throughout the process.

Co-Founder, Brian Caldwell states: "We have achieved this milestone through the hard work and dedication of our employees, and our culture of high quality customer service that exists throughout our organization. We have dedicated ourselves to 6 years of innovation and excellence to provide our customers with the highest quality service."

Their meticulous attention to every detail during the service of their customers has been very positively received; "The Folks at AutoSmart are a pleasure to work with!" As stated by one of their customers. "Their knowledge of the automotive market was key in finding the perfect vehicle for us. Everything was handled efficiently, professionally, and with personal care and attention."

AutoSmart has big plans for growth expansion during the upcoming year. One of their core objectives this year is to become the finest used automobile dealership in the Oswego area, while continuing to provide high quality service to their customers by exceeding their needs and expectations.

"We at AutoSmart are thankful to our many customers for making this anniversary possible," states Co-Founder Scott Twait. "Their feedback has shaped our company through the years, and their faith in our ability to service them has sustained us. We look forward to continuing to serve our valued customers for many years to come."

In addition to having a wide selection of quality used vehicles in stock, they also provide new and used vehicle location services, vehicle consignment, professional detailing, 3M window tinting, clear bra paint protective film, paintless dent removal, and also carry a full line of Jax Wax detailing products.
