The cafe is honored to have a clean sweep of the Springfield, Missouri restaurant awards that were voted on by the readers of several local publications, BambinosCafe.com reports. Springfield, Missouri - March 16, 2017 /MarketersMedia/ -- Bambinos Cafe proudly announces they have swept the Springfield, Missouri restaurant awards. Readers of the following local publications voted on their favorite restaurant: Missouri State University's The Standard, 417 Magazine and the Springfield News-Leader. Bambinos was consistently named the best restaurant in Springfield Missouri. Readers of Missouri State University's The Standard proclaimed it to be the best restaurant, stated it offered the best Italian food and declared it the ideal place for date night dinners and for dinner with parents. Springfield News-Leader readers named it Best of the Ozarks in the Best Italian category, and 417 Magazine readers honored it with their Top 5 Springfield Restaurants award, the award for the best place for lunch and the Best Italian Dining award.

We are beyond thrilled that our customers are pleased with our food, atmosphere and service and chose to honor us by voting for our restaurant. This is in part due to our Springfield Missouri restaurant dinner menu favorites, such as the Portobello Ravioli and The Fredo, which is our fettuccine alfredo dish. Whether a person is looking for a place to sit down and have a nice meal, a restaurant where they can get great carry out or someone to call for Springfield Missouri catering, we are always happy to help," Andy Faucett, owner of the restaurant, states.

In addition, the daily specials draw visitors in. Those visiting on Monday can choose from favorites such as Sausage and Peppers or a Chicken Parmesan panini, while Wednesday guests have options including a Chicken Cheddar Ranch panini or Chicken and Pasta soup. There are different specials for every day of the week, so guests can return and try something new every day.

"Visit the website before heading to the restaurant to learn about other available specials. We are currently offering a coupon for a free appetizer with the purchase of any two entrees during our lunch hours Monday through Thursday. Our guests should be able to try a wide variety of foods, without spending a fortune to do so, and our specials are one way we ensure they can," Faucett continues.

When a special occasion rolls around, Bambinos is ready to assist customers in feeding large crowds. The catering menu is designed to meet the needs of a wide range of tastes and includes customer favorites, such as Baked Ziti and Grilled Chicken. Furthermore, customers can choose from side dishes, panini trays, appetizers, desserts and drinks.

"Competition is good in the restaurant industry, as people crave different foods at different times. When they are looking for a good Italian meal, however, we want them to immediately think of us. We do everything we can to keep our customers satisfied and are proud to be honored by the readers of local magazines for doing so," Faucett states.
