Commercial Merchant Services is celebrating the launch of their Groov MPOS in the Atlanta Georgia area by First 100 customers get free terminals. Further information can be found at <http://visamachine.com>. Atlanta, United States - March 16, 2017 /PressCable/ -- In a slightly different approach to launching its Groov MPOS, Commercial Merchant Services, a Business that needs wireless EMV credit card processing in Atlanta Georgia has decided it will First 100 customers get free terminals, and this is expected to take place Wednesday March 15th 2017.

Where most businesses tend to just Some offer lower prices CMS is giving terminals away, Commercial Merchant Services has decided to be a little more Exciting with it's Groov MPOS launch.

Julian Johnson, Head of Marketing at Commercial Merchant Services, says: "CMS wanted to be Exciting with our Groov MPOS launch because CMS wanted to give the small business owner an EMV approved way to accept mobile transactions.

It should be really worthwhile and we're hoping it hope. It should go great unless CMS anger the Gods in some way!"

Commercial Merchant Services has always made a point of standing out when compared to other Business that needs wireless EMV credit card processings in the Atlanta Georgia area. This launch celebration is just one of the many ways it does so.

This is a great chance for Atlanta Georgia residents to This is a great way for the company to acquire new customers as well as help current ones and support a Only the latest EMV approved credit card equipment local business.

Commercial Merchant Services has been serving the Atlanta Georgia area since 1996. To date it has served over Over 100,000 customers and has become recognized as one of the most popular in the area. It can be found on 3100 Briarcliff Rd near I-85.

Julian Johnson also said: "While Commercial Merchant Services may not be the only business with this kind of offering, local residents are choosing Commercial Merchant Services because Great service low rates no contracts."

When asked about the Groov MPOS, Julian Johnson said: " CMS thinks it's going to be a hit because All businesses must be EMV compliant when taking credit cards".
