That why marketer needs to create video with a solid presentation. However, it's usually not easy to create one with those quality without having to hire a expensive, pro video developer and dealing with complicated, unaffordable software. Fortunately, in an attempt to solve all these problem, Maulana Malik and Ilham Zulkarnain have created a Powerpoint Explainer/Presentation Video templates called Levidio 5 that enable anyone to design professional video design in minutes.

Levidio 5 Suite is the World's Most simplified Video Creation collection letting anyone to produce professional video design in moments. It is comprised of 36 Professional video templates, where people can take their ideas from inspiration to creation. It is designed for online advertiser to take over video marketing on any devices and platforms. The most useful function is that users can export their video to FULL High Definition Quality without extra plugin needed.

Levidio vol.5 Collection prepared to assist people to produce studio quality video for business, youtube, product advertising, e-commerce, Instagram video, Instagram stories, video advertisement, WhatsApp clips and any other video marketing demand. People can make video in 10 minutes OR LESS using just powerpoint thereby increase conversion and sales.

Here is how Levidio 5 video template function in a three steps procedure:

Step 1 select from the tested high converting designed templates: with over 9 years of online business experience, Maulana Malik and Ilham Zulkarnain understand how to make video that converts and bring real outcomes.

Step #2 customize: Levidio volume 5 is very straightforward. Although Maulana Malik and Ilham Zulkarnain have made several popular niches in their templates, users can still edit it to fit their personal niche.

Step #3 export to full high definition video: Ultimately, people can export their video to 1080p full hd quality video directly from their PowerPoint without further plugin needed.

People just need to open PowerPoint 2013 or above, click and replace with their content, LEVIDIO work in PowerPoint for Windows and Mac. Some effects the product creator have provided might won't probably function without Microsoft Office 2013, but the graphic is 100% the same.

Microsoft Office 2013 is recommended to use as it has more features than others. However, people

still can use Levidio vol5 at its best even though they use other softwares, Levidio works best with PowerPoint 2013, if using office 2007 or 2010 it still function; however, some of its effect and layout will not working correctly.

This video template is ideal for:

- o E-Commerce: Make e-commerce store promo 10 times better
- o TeeSpring: Make Tee-spring promo campaign more attractive
- o Instagram Marketer: Create better promotional banner and stand out from the rests
- o Youtube Content Creator: Get more views utilizing well-made thumbnail, cover graphics and attractive clips.
