

Kahush Launches New Kickstarter Campaign

Kahush Partners With Funded Today To Bring In More Pledges

Kahush Partners With Funded Today To Bring In More Pledges St. Louis, United States - March 17, 2017 /FundedToday/ -- Kahush has launched a Kickstarter campaign for their sustainable and eco-friendly gear made of hemp. They hope that, with the help of Funded Today, they can reach their goal by the end of March 2017.

Product Specs

Other than the metal zippers, all of the Kahush bags are made out of hemp, a sustainable and eco-friendly product that's resistant to bacteria and odor. The company offers four different types of bags, including a duffle bag, regular backpack, hiking backpack and laptop sleeve. The goal behind the campaign was to create eco-friendly and sustainable products that reflect a love for the environment.

Pricing and Availability

Kahush has partnered with Funded Today to bring in more pledges to their campaign. Once the project reaches its goal, the bags are set to be produced and shipped to all backers worldwide by July 2017. The starting price each bag ranges from \$59 to \$259.
