

Apple iPad Mini 5 Available Soon on April; it's Called iPad Mini Pro: Get Online News Updates 24/7 With HowtoRestoreiPhone.com

Tech lovers are restlessly expecting for Apple to provide more notice about the new iPad mini 5 (or iPad Pro mini) or iPad Pro 2 release, specs, features, design and other details. However, the Cupertino-based corporation seems to be in no mood to answer their prayers.

Tech lovers are restlessly expecting for Apple to provide more notice about the new iPad mini 5 (or iPad Pro mini) or iPad Pro 2 release, specs, features, design and other details. However, the Cupertino-based corporation seems to be in no mood to answer their prayers. New York, United States - March 19, 2017 /MarketersMedia/ -- Apple patrons force see the rumored iPad Pro 2 or iPad Mini 5 in the upcoming event. According to Apple World Today, an Apple contest is slated to take place on April 4, 2017. The Cupertino-based tech monster always builds its spring event in March for the past several years and the blog authenticates that the iPad event is following spring event for the company.

However, this does not correspond with the March statements of previous years. With Apple Park programmed to inaugurate in April this year, same Apple blog recommends that the tech firm will launch its new iPad lineup in the 1,000-seat Steve Jobs Theatre which is situated on the unique Apple Park campus known as 'Spaceship.'

Remarkable iPad deals that are currently up for grabs via local vehicles offer up to \$150 off and the maximum models are scheduled to end on April 1, 2017. Distinctly just three days ahead of when they claim the launch function will take place for both iPad Pro 2 and iPad Mini 5.

As per 9 to 5 Mac, the 12.9-inch iPad Pro model is in short supply on Apple's website, with the page of the tablet pointing to April 4 as an availability date, this could also mean that Apple could opt for same day availability.

Some newly surfaced reports claim that Apple's rumored iPad Pro 2 may come along with a magnetic Apple Pencil, CNET published. Although not much is known about iPad Pro 2 and iPad Mini 5, but gadget freaks are ecstatic to get a glimpse of the new developments. The upcoming Apple device is said to be powered by the A9 and M9 motion co-processor.

In the meantime, the iPad mini 5 or iPad Pro mini or iPad Pro 3 is expected to arrive with new appearances such as IP68 protection and Apple's 3D Touch technology. The iPad Pro 2 is said to roll out alongside the latest major point update for iOS 10, the IOS 10.3.
