

Mentalist Ehud Segev Performs at the International Dental Conference

Ehud Segev performs in Germany

April 4, 2017 (FPRC) -- World renowned mentalist Ehud Segev recorded his latest performance in Cologne, Germany, during the International Dental Show. This marks yet another high-profile entertainment even for The Mentalizer, who has traveled the world from Ghana, London, New York and Germany reading minds and entertaining high profile guests. A few weeks ago, Mr. Segev entertained esteemed members of the Jewish community in Accra Ghana, during the Jewish holiday of Purim.

This year's International Dental Show was held between March 21st to March 25th. It showcased groundbreaking service models and leading innovations in dental medicine from the Medical & Pharmaceutical, Ayurvedic & Herbal industries. Among other notable attendees, participants included Anderson Bano from London's Super White Dental Clinic, Philadelphia's top dentist Douglas Schutz, and India's Sharad Goel. Mentalist Ehud Segev was tasked with entertaining the guests during a concert on the sidelines of the main event.

Ehud Segev is one of the most popular mentalists today. Brought up in Galilee, Israel, Mr. Segev spent most of his boyhood years reading books on body language, mind reading, mysticism and other cryptic subjects. By the time he was a 19-year old teenager, Ehud was already a national sensation. Just analyzing face photos of 12 candidates, Ehud was able to predict the winner in an upcoming mayoral contest. Since then, he has traveled the world performing in major cities.

Mr. Ehud Segev's specialties include mind-reading and body language. Often, he has been engaged in training corporate employees on body language and communication skills. In his mind-reading performances, Ehud entertains guests in events such as birthday parties, major holiday celebrations, and corporate retreats.

Like most other of the Mentalizer's performances, the Germany event was a major success. Guests exclaimed excitement and mystery at the mentalizer's gigs. At times, Mr. Segev has been known to perform extraordinary feats such as send credit cards flying, and bend spoons with his mind. While many of his fans have referred to this as magic, Ehud has been keen to emphasize that all he does is master the innate powers of the human mind.

Ehud Segev is also a published author. His two books, '9 Steps to Influence' and 'Secrets of the Voice', are bestsellers in several languages.

Hannah Tiram, director at Ehud's Mentalizer Education, said, "In what appears to be a very busy year, the Mentalizer has recorded yet another event performance in Germany. Ehud Segev entertained guests during this year's International Dental Show held in Cologne, Germany. This comes barely two weeks after the Mentalizer traveled to Ghana to entertain members of the Jewish community living there during the Purim holidays. So far, we are gathering momentum in the number of inquiries and actual bookings for the mentalist. In coming days, Mr. Segev will perform in New Delhi, London, and a number of cities in Eastern Europe. We'll keep you briefed on each one of his performances.
