Youngevity explain that they are a modern company that are technologically advanced and aim to improve their customers lifestyles. They have been in operation since 1997, delivering high quality lifestyle and health care products and are dedicated to bringing their customers the correct information so they can make informed lifestyle choices.

To Be At Peace essential oil blend is a powerful oil that provides many benefits with its use. It can help to promote the nervous system, promote restful sleep and also promotes a sense of calm and peace. When used in massage it is used to help ease aching muscles and to relieve the over stimulated mind.

To Be At Peace is part of the wider Youngevity range of essential oils and blends range. This collection offers a comprehensive selection of essential oil products for the casual user to the professional.

Alongside the large library of oils stocked by Youngevity there is also a selection of accessories to aid the user in reaping the benefits aromatherapy may bring, including diffusers, wooden storage boxes and wearable aromatherapy jewelry.

The aromatherapy jewelry range features diffuser locket and diffuser bracelet wraps. The lockets come in gold, rose gold and silver tones featuring a variety of different designs such as flowers, hearts and snowflakes. The bracelets feature a similar locket but are mounted on to a leather wrap bracelet.

Each item comes with three scent coins that the user doses with their chosen oils. They then place inside the hollow of the jewelry enabling them to enjoy their favorite aroma wherever they go.
