

ExpressionMed Launches Kickstarter Campaign For Diabetic Care Adhesives

ExpressionMed Partners With Funded Today To Bring In More Pledges

ExpressionMed Partners With Funded Today To Bring In More Pledges Minneapolis, United States - April 13, 2017 /FundedToday/ -- ExpressionMed has launched a Kickstarter campaign for their uniquely-designed adhesives for diabetics. They have brought on Funded Today to introduce their product to a bigger audience and to bring in more pledges for the remaining weeks of the campaign.

About ExpressionMed

ExpressionMed provides a solution that allows children and families with glucose monitors to only must apply one adhesive per week. The fun and unique designs help children cope with their weekly tests, brightening their day and decreasing the likelihood of childhood depression. The adhesive tape is biocompatible and waterproof, with no results of skin irritation.

Pricing and Availability

ExpressionMed is available to back now on Kickstarter. Once the project reaches its goal with the help of Funded Today, the product is set to be produced and shipped to all backers worldwide by May 2017. The starting price for one box of CGM guards (five adhesives) is \$18.
